Tutoring Experience

With over six years of tutoring experience, I have worked with students from various cultural backgrounds, both in Abu Dhabi and internationally. My tutoring journey started with helping peers during university, which sparked my passion for teaching. I specialize in preparing students for their IB, IGCSE, and PAT exams, focusing on Physics and Maths. My sessions are interactive, using real-world examples and personalized strategies to ensure each student achieves their potential. I've also provided extensive support for Internal Assessments and coursework, guiding students to excel in their studies and develop a genuine interest in the subject. Beyond tutoring, I continuously update my teaching methods to include the latest educational technologies and exam techniques.
